

## Groote Post Sauvignon Blanc 2018

main variety Sauvignon Blanc

vintage 2018

analysis alc: 13.72 | ph: 3.3 | rs: 1.8 | ta: 6.2

type White

producer Groote Post Vineyards

style Dry

winemaker Lukas Wentzel

taste Mineral

wine of Darling

body Full

### tasting notes

On the nose fragrances of white stone fruit , green fig and gooseberry. The palate has great length and minerality.

### blend information

100% Sauvignon Blanc

### in the vineyard

Vines planted: 1993 - 2002

Soil: Hutton & Oakleaf

Irrigation: Supplementary

Trellising: 5 wire extended moveable Perold

Elevation: 280m

After three years of lower than normal rainfall we were concerned that it would have a negative impact on the vines regarding production and overall ability for vines to ripen the grapes. In years like this you realize how adaptable vines are in tough conditions. We were down on production but the quality of the wine is amazing.

### about the harvest

Yield: 10 t/ha

### in the cellar

The challenge in the cellar was to capture the full potential of each batch of grapes. After sorting, destemming and crushing, 50% of the grapes had skin contact for 6 to 12 hours. Only the free-run juice were used for this wine. The wine was fermented in stainless steel tanks and left on the lees for 2 months.
